Plaintiffs.

: Case No. 1:00-CV-00494

: Judge Kane

: **STATUS REPORT OF DEFENDANT
LENSCRAFTERS, INC.**

This case was originally filed by Plaintiff on February 14, 2000. On January 21, 2005, almost five years after filing its original Complaint, Plaintiff provided to Defendant for the first time four expert reports in which Plaintiff claims damages of approximately \$42,000,000.00.

This case is currently set for arbitration before the American Arbitration Association on March 21, 2005. LensCrafters has requested a brief continuance of the hearing in order to allow it sufficient time to retain appropriate expert witnesses, and to have those witnesses prepare reports in response to Plaintiff's recently submitted expert reports.

Respectfully submitted,
